1. Create Capgemini Google account

Capgemini is partner with Google, Capgemini associates are required to sign up to google using Capgemini email address. Follow the steps below to register your Capgemini email with Google.

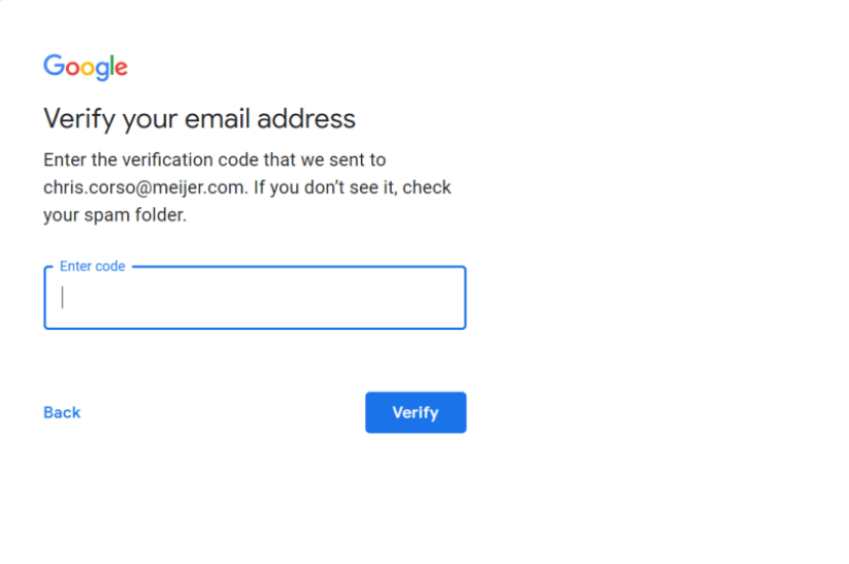

<https://accounts.google.com/signup/v2/webcreateaccount?hl=en-AU&flowName=GlifWebSignIn&flowEntry=SignUp>

On following screen, select the option “**Use my current email address instead**” and input your Capgemini email. Google will send you a code to your Capgemini email and you will enter it on this screen:

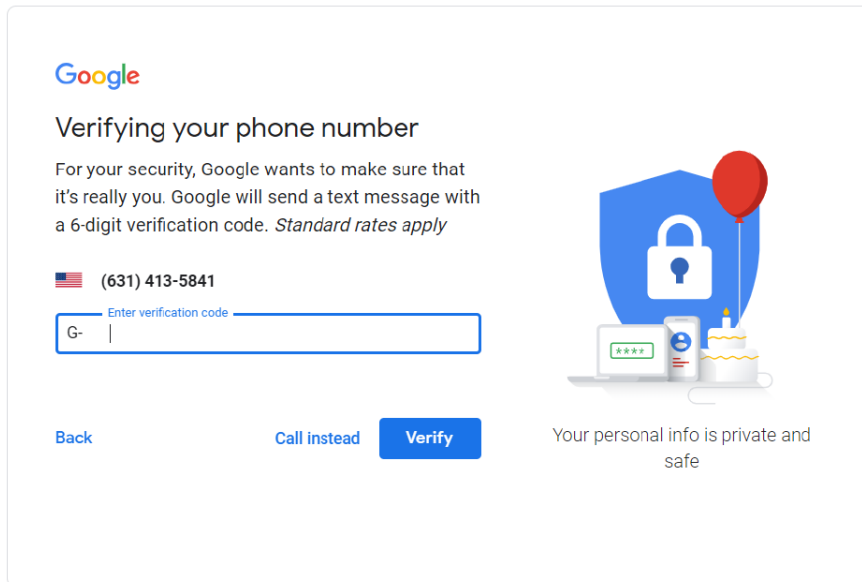

The image shows the Google Account creation interface. At the top is the Google logo and the heading "Create your Google Account". Below this are input fields for "First name", "Last name", and "Username" (with a placeholder "@gmail.com"). A red arrow points to the "Use my current email address instead" link, which is highlighted with a red box. Below the username field, there is a note: "You can use letters, numbers & periods". Further down are "Password" and "Confirm" fields, with a small eye icon to toggle visibility. A note below the password fields states: "Use 8 or more characters with a mix of letters, numbers & symbols". At the bottom left is a "Sign in Instead" link, and at the bottom right is a blue "Next" button. On the right side of the form, there is a graphic of a blue shield with a white person icon, and below it, a laptop displaying various Google services icons (Play, Maps, etc.). Text next to the graphic says: "One account. All of Google working for you."

Enter the verification code received on your email and verify the email address.

The image shows the Google Account verification interface. At the top is the Google logo and the heading "Verify your email address". Below this is a text block: "Enter the verification code that we sent to chris.corso@meijer.com. If you don't see it, check your spam folder." Below the text is a large input field with the placeholder "Enter code". At the bottom left is a "Back" link, and at the bottom right is a blue "Verify" button.

You will need to enter your mobile number and validate it on receiving the SMS Token on your mobile.

Google

Verifying your phone number

For your security, Google wants to make sure that it's really you. Google will send a text message with a 6-digit verification code. *Standard rates apply*

 (631) 413-5841

Enter verification code

[Back](#) [Call instead](#) [Verify](#)

Your personal info is private and safe

The screenshot shows the Google account verification step. It features the Google logo, a title 'Verifying your phone number', and an explanation of the security process. A phone number '(631) 413-5841' is displayed with a US flag icon. Below it is a text input field for the verification code, preceded by the label 'Enter verification code'. To the right of the input field is a blue button labeled 'Verify', and to its left are two links: 'Back' and 'Call instead'. On the right side of the screen, there is an illustration of a blue shield with a white padlock, a red balloon, and a laptop displaying a green checkmark. Below this illustration is the text 'Your personal info is private and safe'.

Below step will be to provide your birthday and gender. These can be made up values if you are uncomfortable providing accurate information.

Google

Welcome to Google

 edabm11@optimum.net

 Phone number (optional)
6314135841

We'll use your number for account security. It won't be visible to others.

Day: 1 Month: January Year: 1974

Your date of birth

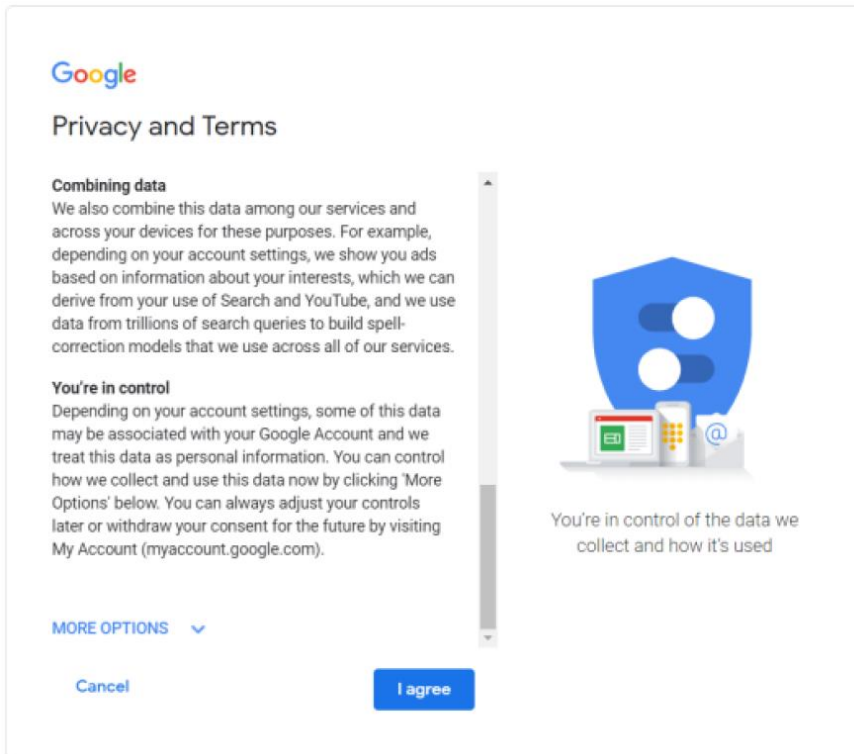

Gender: Male

[Why we ask for this information](#)

[Back](#) [Next](#)

The screenshot shows the Google account setup screen. It features the Google logo, a title 'Welcome to Google', and the email address 'edabm11@optimum.net'. Below the email is a phone number input field with a US flag icon and the text 'Phone number (optional)'. The phone number '6314135841' is entered. Below the phone number is a message: 'We'll use your number for account security. It won't be visible to others.' Below this message are three input fields for the date of birth: 'Day' (1), 'Month' (January), and 'Year' (1974). Below the date of birth fields is a label 'Your date of birth' and a dropdown menu for 'Gender' with 'Male' selected. Below the gender dropdown is a link 'Why we ask for this information'. At the bottom are two buttons: 'Back' and 'Next'.

Skip to the final submission, you will need to accept all the terms and conditions to finalize your account. Review the terms and conditions and click "I agree":

Google

Privacy and Terms

Combining data
We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

You're in control
Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking 'More Options' below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).
